ICFCCT-2021

27th - 28th October 2021

Organized By
Institute For Engineering Research and Publication (IFERP)
**About IFERP:**

IFERP is one of the leading publishers of research articles in its high quality peer reviewed journals, proceedings and research magazines. IFERP is a platform to promote the advancement and dissemination of the knowledge of Engineering, Science & Technology. IFERP fulfill the need of professionals even for their end to end research & development. IFERP is a leading publisher of scientific research works in highly cited, high indexed and high standard International Journals such as SCOPUS, Web of Science, UGC, Springer, Inderscience etc.

The main focus of IFERP is to make peers and wizards meet to share their experience, knowledge and researchers by organizing Conferences, Meetings, Summits, Guest Lectures and Workshops. IFERP have started its dedicated journey by organizing International Conferences and global standard events in different Institutions, Universities & conventions to provide scope for scientific interactions in the field of Engineering, Science & Technology to technically budding researchers from all across the world.

**Mission:**

- To assure quality of incubation and innovation processes from nook and corner of the world.
- To connect professionals at an integrated platform for growth to divert knowledge and skills towards sustainable application of professional education.
- To ensure excellent opportunities for sharing and gaining knowledge through our professional activities and scientific conferences.
- To work with organizations to upgrade scopes of professional studies and research by monitoring further opportunities and applications.
Vision:

🌟 Of a united platform to explore research with opportunity to innovate multidisciplinary scopes and applications of professional studies.
🌟 Of a conglomerate of scientific and academic associations working for humanity.
🌟 Of digitalising innovation processes through our professional networking services.

About the Conference:

2\textsuperscript{nd} International Conference on Future Communication & Computing Technology (ICFCCT-2021) to be held in Mumbai, on the 27\textsuperscript{th} - 28\textsuperscript{th} of October, 2021 is to spur unique discoveries in terms of countering conventional challenges faced in everyday engineering activities and technologies. Technology is progressing at a very fast pace, which currently is weighing heavily on the earth's bounty of natural resources and causing serious damage to the environment. The price for this large-scale and mass expansion in all forms of daily life is being paid for in the form of climate change.
Keynote Speaker:

**Dr. Abbas Al-Bakry**  
Chancellor  
University of Information Technology and Communications, Iraq

**Dr. Ipseeta Nanda**  
HoD-Information Technology  
Associate Professor, Faculty of Information Technology  
Gopal Narayan Singh University, Jamuhar, Rohtas, Bihar, India

**Mr. John Patrick Shaw**  
Director, Naavikon  
Dublin, Ireland

**Prof. A. Sesha Rao**  
Principal, Vignan's Institute of Engineering for Women, Visakhapatnam, India

Abstract Submission Process followed by the Author’s

Researchers are encouraged to submit an abstract that addresses scientific questions, details, engineering research observations or contains primary scientific data. Abstracts are peer-reviewed by the Conferences Editorial Committee and will be considered for oral or poster presentation. Accepted abstracts are published in the Conference Proceedings, an online supplement of the Journals. At least one author for every accepted paper is required to be registered for the conference for that paper to appear in the proceedings and be scheduled for presentation.

Reviewing Process Followed By IFERP

★ Every manuscript that is submitted to us will be subject to an out-and-out, double peer-review process to determine if it meets our stringent quality standards and our self-imposed benchmarks for world-class research work.

★ The author who is submitting a manuscript is required to take up the responsibility of ensuring that all other co-authors of the manuscript have agreed to its publication.

★ This author will also take responsibility on behalf of all co-authors during the entire submission and double-peer review process period.

★ In no way shall the publisher be held liable for any claims for compensation that maybe raised by any party during this period.
Registration Guidelines:

- For students registering late an extra amount of Rs.500/- will be charged.
